Dear Wendy,

Thank you for taking the time to acquaint me with your wonderful Pre-School earlier this week. I thoroughly enjoyed visiting with you and hearing about your program. As you could probably tell, I was very impressed. It is not often I visit a program designed totally to meet the needs of the children. I am encouraging other individuals from our agency to visit The Ideal Pre School; because you have to see it to believe it!

It is very important that we keep all referral information current to insure that parents receive accurate facts regarding child care in their community. Therefore, if you change any basics with regard to your program (such as ages, hours, fees), please call me.

Child Care Resource & Referral is committed to encouraging and maintaining quality care for the children of the Palm Beach County area. We are available to provide any assistance you may need toward this goal.

I hope you will look to our agency if there are questions, concerns or training needs which we can be of help with.

Yours truly,

Mary Kay Weis
